  - What percentage "funded" each institution will be (after increases) in regard to the 2001 salary schedule.
  - Other
8. New Business
9. Announcement of Members
10. Adjournment

ACCErs and Dr. Brokenburr,

Attached you will find area lodging for your visit to Concord University on May 26. The Country Inn and Suites is new and of course, many like to stay at Pipestem. All others have been remodeled in the last five years. It's about the same distance from Princeton to Athens as it is from Pipestem to Athens.

You will also find a parking pass to place on your dashboard. I have reserved the parking lot in front of the Student Center (N on the map) which is the first lot as you drive on campus. You may not park in the mail truck spot or the campus police spot which are clearly marked, but the rest of the lot is for ACCE. If you have to park somewhere else, make certain you place the attached parking permit on your dashboard.

We will be meeting in University Point - the new building on campus. It houses all of Advancement (my department), plus an Interfaith Chapel, a small banquet hall and an Alumni Lounge. We have the grand opening of the building on Sunday the 15th. It's the first building on the right side of the road as you enter campus. You can see it from the parking lot --just a short walk to the building.

Lots of places to eat in Princeton. Pipestem has two good restaurants and then there is Brandon's across from the Park --(Ken this is where we ate last time you guys were here--BBQ, Steaks, etc. and we ate on the screened-in porch).

Concord will treat you to some breakfast and lunch --(I haven't picked the menu out yet) but will get to it this week.

Looking forward to the meeting!! Thanks!

Amy
