NOTES:

Please print and bring your parking pass (attached).

Please park in the parking lot directly beside our building....the parking lot is between our building and the church. There is a Federal building and a small park and a parking lot across the street from us. You will want to enter the building through the SIDE door (closest to parking lot, will have an administration sign and trashcan beside it), and our meeting will be on the 4th floor. 410 Neville Street Beckley, WV 25801 GPS brings you right to the building. It has a bright Flying WV sign on the side.
